

ProprioGO

Strategic Launch in Spain

A data-driven roadmap for market entry, city prioritization, and performance forecasting.

Executive Summary

Top 3 Cities

Madrid, Barcelona, Mostoles
selected based on Attractiveness
Score analysis.

Dual Segment Launch

Both 'For Sale' and 'New
Construction' segments, with 'For
Sale' prioritized for efficiency.

€500K Budget

Six-month launch investment
allocated proportionally to market
potential.

Attractiveness Score Methodology

Our proprietary scoring system synthesizes seven normalized metrics into a single, comparable ranking:

- **Search Index:** Real estate search interest
- **Population & Density:** Market size and urban concentration
- **Average Income:** Local purchasing power
- **Population Growth:** Housing market dynamism
- **Cost of Living & Safety:** Quality of life factors
